

GENOA OFFSITE PROJECT PUBLIC COMMENTS / QUESTIONS

Public Meeting

*October 17, 2007
4:30 -8:30 p.m.*

*Viroqua High School
Viroqua, WI*

Your comments and questions are important to us. Dairyland Power Cooperative chose to provide information in an Open House format to allow visitors flexibility in their schedules and the opportunity to ask one-on-one questions with Dairyland staff members. During the Open House, we also scheduled three presentations to provide an overview of the project, including the environmental investments being made at our Genoa facility.

Thank you for taking your time to participate.

We also invite you to submit comments/questions electronically. An e-mail account has been set up at genoaoffsite@dairynet.com.
